

THE APA DIV 22 STUDENT LEADERSHIP NETWORK IN
PARTNERSHIP WITH THE SCIENCE COMMITTEE
PRESENT

Connecting with Research Collaborators in Rehabilitation Psychology: A How-to for Trainees

When:

September 20th, 2023

4 to 5 PM Pacific

6 to 7 PM Central

7 to 8 PM Eastern

Why Attend?

•Panelists from diverse institutions, backgrounds, and career stages will present their experiences and suggested strategies to get engaged in rehab psychology research, as well as answer questions from attendees.

•Hear about the journey towards engaging in rehabilitation psychology, from those who started in rehab psychology, those who found the field later, or those who would like to engage in this research but did not have access to mentors, data, or research training

•Learn about networking and collaboration skills across the field of research, no matter your training level

•Become empowered to participate and advance research in disability and rehabilitation!

Featured Speakers:

Moderator:

Jen Pearlstein (SLN member, Rehab Psychology Research Post-doc at University of Washington School of Medicine)
